Annual Staff's Note

Rayna Peacock - EDITORS - Lynda Higgins

This "The Buffalo" which has been ours for so long is now yours. Every picture, every line of type, every piece of art work is familiar to us. When the final sheet of copy is mailed to the publishers the long days and even longer nights of seemingly endless work which have so jealously claimed our time are long past.

The staff owes many thanks--to our friends, who have heard nothing but yearbook talk; to our teachers, who have rarely received our assignments on time; to our classmates who have put up with our frazzled nerves and our sleepy yawns; to our sponsor, whom we never fully pleased; and to many others who showed their interest by just dropping in.

We present to you our edition of the 1958 Buffalo and hope that it will continue to recall to your mind the happy memories of a great year. We have attempted to preserve for you, by a few words and a lot of pictures, the reminders of cheers and wild excitement of football victories; the joy of hearing a classmate's name as the winner of some high award; the laughs expressed in assembly; the smiles of friends as we meet them in the halls; and last, but not least, the sheer enjoyment of attending dear ole' P. H. S. during the 1957-1958 school year.

Thus, we give to you a volume of memories which will always be so dear to us all.

Sincerely yours,

The Staff
